WARRANTY INFORMATION:

All BOYD products are warranted against defects in material or workmanship only. No other warranties are expressed or implied. This warranty shall extend for three years for parts, and one year for labor. The BOYD warranty only covers products manufactured by BOYD. Those products distributed by BOYD carry the manufacturer’s warranty.

The warranty period commences upon invoice date of the equipment. Written notice of breach must be given to BOYD Industries, Inc. within this period. BOYD reserves the right to repair or replace, at its sole discretion, the item in question.

Warranty is voided if items are misused or product is improperly maintained or installed. The warranty does not cover any alteration of product from its original condition or product used in any way other than the product’s design intent. An authorized service technician must perform all service and maintenance. Written logs and receipts for service must be maintained to validate the warranty on BOYD manufactured products.

No claim for consequential damages will be allowed. Freight damage or mishandling by any third party will not be considered a warranty item. Improper installation by a third party causing damage to equipment is not a warranty item.

TERMS & CONDITIONS:

• List prices are FOB Clearwater, Florida.
• Installation costs are not included in the list price of equipment.
• Due to the custom nature of BOYD equipment, credit cannot be issued for the return of equipment purchased.
• BOYD Industries, Inc. reserves the right to change modify, or delete product without prior notice.

S2601/2605 SELECTIONS

- 2605 Rectangular Style Backrest
- 2601 Tapered Style Backrest
- Model 2601/2605 BE 88 Standard
- Model 2601/2605 BE 88 Swivel
- Model 2601/2605 BE 88 Mobile

OPTION

Hand Control; Operates as an Alternative Method of Patient Positioning
ARM SELECTIONS Models 2615, 2614, 2601, 2605

Rail Mount Accessories
slide along BOYD’s “On Track Rail System”. The Rail Mech allows front to back, up and down, and rotational positioning. Loosen the knob and position, tighten knob and you are locked into place. All Rail Mounted Accessories are universal and mount right or left. 2615, 2614 Models are equipped standard with Seat Rails. Back Rails are OPTIONAL. 2601, 2605 Models are equipped standard with Seat and Back Rails.

ARM SELECTIONS Models 2615, 2614

Compensating Arms
automatically adjust with chair back. All arms are interchangeable from side to side, removable, and width adjustable. IV Arms rotate in multi positions with the touch of a lever. Arms drop to the side and out of the way for patient access/egress. A firm locking action holds the arm stable during surgical procedures.

HEADREST SELECTIONS, ALL MODELS

Lever Lok
Dual Articulating Headrests
Release lever, position, and lock into place. Allows headrest to be positioned over the back for smaller patients and articulates over 90 degrees for airway management. Available with and without forearm supports.

Pinch Lok
Dual Articulating Headrests
Pinch tabs for positioning and release to lock. Available with and without forearm supports.

How to Order

EXAM/SURGERY/RECOVERY CHAIRS & TABLES:

1. Select Part # to reflect the MODEL and BASE selection desired.
   Part number information is available on the BOYD website and/or through your sales representative.

2. Select an UPHOLSTERY color from BOYD’s UPHOLSTERY Selection Guide.
   • Boltaflex Grand Sierra and Pinnacle are standard offerings.
   • Ultraleather is an UPGRADE Fabric.
   • Other Fabrics and COM Fabrics may be an additional charge.

4. Select a HEADREST.

5. Select your ARM Configuration.
   (This is not included in the base price of the chair.)

BOYD will send an ORDER CONFIRMATION and CHAIR WORKSHEET to assist in your selections. To reach BOYD sales for assistance Call us at 800-255-2693

The BOYD website includes all part numbers, descriptions, tech specs, and additional product information.
